

## PRACTICAL SHEET STOPOVER 1

### PRACTICAL INFORMATION

---

#### ACCESSIBILITY TO THE TOP!

In the heart of the Caribbean archipelago, reaching Martinique is disconcertingly easy: multiple air links from Europe, North America, South America and the Caribbean islands; cruises from Europe and North America; inter-island maritime links. A reasonable time difference (5 or 6 hours) with Europe makes it easy to organize flights in half a day or a short night.

#### PRIVILEGED LOCATION

Ideally located in the center of the Lesser Antilles, Martinique is bathed to the east by the Atlantic and to the west by the Caribbean Sea.

#### PERFECT CLIMATE

Throughout the year, the regular breath of the trade winds coming from the Atlantic offers Martinique an average temperature of 26 ° C.

## WIDE RANGE OF ACTIVITIES

Beaches of volcanic black sand, dense tropical forests, lively waterfalls, mountains, the north favors outdoor activities. Holidaymakers looking for white sand beaches shaded by coconut trees, warm and calm seas, water sports and idleness will find their happiness in the south.

## ACCOMMODATION FOR ALL

From luxury hotels to authentic country houses, including the guest house, Martinique also offers a multitude of innovative, unusual and friendly accommodations.

## FORMALITIES OF ENTRY AND LIFE ON SITE

No visa: a simple identity card or a valid passport for nationals of the European Union, Switzerland, Andorra, Monaco, Canada, USA and for residents with a residence card in France. French is the official language spoken by all but most Martiniquans are also fluent in English, Spanish and of course Creole. The currency is the Euro; it is also possible to use all common credit cards. Internet (generalized fiber) and state-of-the-art telephone network keep you in touch with the whole world.

## SANITARY FORMALITIES, ADAPTABILITY
